

Prepare your stay : The cleaning

Our tips for a peaceful vacation, with or without the cleaning option.

YOU HAVE CHOSEN THE CLEANING OPTION, OR YOUR STAY IS "ALL-INCLUSIVE."

The cleaning option will make the end of your stay easier: the owner takes care of everything... or almost! All you have left to do is:

Sweep the floor
Wipe the dining table
Fold the blankets

Wash and put away the dishes and kitchen utensils
Empty the trash and place it in the bin
(Remember to sort your recycling!)

Attention! The "cleaning deposit" may be retained if the property is not in a satisfactory state of cleanliness, and the fee may be increased by up to €100.

YOU HAVE NOT CHOSEN THE CLEANING OPTION.

It's your turn! We're counting on you to review all the rooms in your accommodation:
